## Resolutions

### **Resolution 1** – Adoption of Remuneration Report

In accordance with section 250R(2) of the Corporations Act, the Company is required to present to its Shareholders the Remuneration Report as disclosed in the Company's Annual Financial Report.

The vote on the Resolution is advisory only and does not bind the Directors or the Company. The Remuneration Report is set out in the Company's Annual Financial Report and is also available on the Company's website at www.bigstarenergy.com.au.

However, if at least 25% of the votes cast are against the adoption of the Remuneration Report at the Meeting (subject of this Notice of Meeting), and then again at next year's 2020 Annual General Meeting (2020 AGM), the Company will be required to put to the vote a resolution (Spill Resolution) at the 2020 AGM to approve the calling of a further meeting (Spill Meeting). If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must convene the Spill Meeting within 90 days of the 2020 AGM. All of the Directors who were in office when the 2020 Directors' Report was approved, other than the Managing Director, will (if desired) need to stand for re-election at the Spill Meeting.

The Remuneration Report explains the Board's policies in relation to the nature and level of remuneration paid to KMPs (including Directors) and sets out remuneration details, service agreements and the details of any share-based compensation.

### Voting

Note that a voting exclusion applies to Resolution 1 in the terms set out in the Notice of Meeting. In particular, the Directors and other Restricted Voters must not vote on this Resolution and must not cast a vote as proxy, unless the appointment gives a direction on how to vote, or the proxy is given to the Chair and you submit the Proxy Form, authorising the Chair to exercise the proxy even though Resolution 1 is connected directly or indirectly with the remuneration of a KMP and that in doing so you will be taken to have directed him to vote in accordance with his stated intention to vote in favour of Resolution 1.

Shareholders are urged to read carefully the Proxy Form and to provide a direction to the proxy on how to vote on this Resolution.

### **Resolution 2** – Re-election of Mr Ross Warner as Director

The Company's Constitution requires that, if the Company has 3 or more Directors, a third (or the number of Directors nearest to one third, rounded upwards) of those Directors must retire at each annual general meeting, provided always (and as also provided by ASX Listing Rule 14.4) that no Director (except a Managing Director) shall hold office for a period in excess of 3 years or until the third annual general meeting following his or her appointment, whichever is the longer, without submitting himself or herself for re-election.

ASX Listing Rule 14.5 provides that an entity which has Directors must hold an election of Directors at each annual general meeting.

The Company's Constitution provides that a retiring Director is eligible for re-election.

Mr Ross Warner was appointed a Director of the Company on 23 March 2018 and was last re-elected as a Director at the Extraordinary General Meeting held on 23 January 2018.

Under this Resolution, Mr Warner, a Director who retires by rotation in accordance with the Company's Constitution and ASX Listing Rule 14.5, and being eligible offers himself for re-election as a Director of the Company.

Mr Ross Warner is an experienced natural resources executive. He has held executive and non-executive director roles in several public companies listed on AIM and the ASX and a number of private companies. He has been involved in operated and non-operated oil and gas assets in Texas, Louisiana and Oklahoma and gas to power in Indonesia. He practiced as a corporate finance lawyer in Perth, Melbourne and London.

#### Directors' recommendation

The Directors (excluding Mr Ross Warner) recommend that Shareholders vote for this Resolution.

### Resolution 3 – Election of Mr Trent Spry as Director

The Company's Constitution provides that the Directors may at any time appoint a person to be a Director as an addition to the existing Directors. Any Director so appointed holds office only until the next following annual general meeting and is then eligible for re-election.

ASX Listing Rule 14.4 also provides that each additional director appointed during the year is to hold office until the next general meeting and is then eligible for election as a Director of the Company.

Mr Trent Spry was appointed as an additional Director of the Company on 29 April 2019 and has since served as a Director of the Company.

Under this Resolution, Mr Spry seeks election as a Director of the Company at this AGM.

Trent has over 20 years international oil and gas experience covering technical, management, executive and non-executive director roles with BHP Petroleum, Woodside Energy, RPS Energy, and Entek Energy. Responsibilities have included new ventures, exploration, appraisal, and operations. Trent holds a Bachelor of Science Degree (Hons) from the University of Adelaide specialising in Petroleum Geology & Geophysics.

#### Directors' recommendation

The Directors (excluding Mr Trent Spry) recommend that Shareholders vote for this Resolution.

## **Resolution 4** – ASX Listing Rule 7.1A Approval of Future Issue of Securities

ASX Listing Rule 7.1A enables eligible entities to seek Shareholder approval by Special Resolution passed at an annual general meeting to issue equity securities (which must be in the same class as an existing quoted class of equity securities of the Company) which do not exceed 10% of the existing

ordinary share capital without further Shareholder approval. The ability of the Company to make an issue under Listing Rule 7.1A is in addition to its 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation less than the amount prescribed by ASX (currently \$300 million).

As of the date of this Notice of Meeting, the Company is an eligible entity. If at the time of the Meeting the Company is no longer an eligible entity this Resolution will be withdrawn.

Approval under this Resolution is sought for the Company to issue equity securities under Listing Rule 7.1A.

If this Resolution is approved the Company may make an issue of equity securities under Listing Rule 7.1A at any time (either on a single date or progressively) up until the earlier of:

- (a) the date which is 12 months after the date of the Annual General Meeting; or
- (b) the date on which Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

Accordingly, the approval given if this Resolution is passed will cease to be valid on the earlier of 31 May 2020 or the date on which holders of the Company's ordinary securities approve a transaction under Listing Rules 11.1.2 or 11.2.

The maximum number of equity securities which may be issued in the capital of the Company under the approval sought by this Resolution will be determined in accordance with the following formula prescribed in Listing Rule 7.1A.2:

#### $(A \times D) - E$

where:

- A is the number of shares on issue 12 months before the date of issue or agreement to issue:
  - (i) plus the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2;
  - (ii) plus the number of partly paid shares that became fully paid in the 12 months;
  - (iii) plus the number of fully paid shares issued in the 12 months with approval of the holders of shares under Listing Rules 7.1 and 7.4 (this does not include an issue of fully paid ordinary shares under the entity's 15% placement capacity without Shareholder approval); and
  - (iv) less the number of fully paid shares cancelled in the 12 months.
- **D** is 10%.
- is the number of equity securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of Shareholders under Listing Rules 7.1 or 7.4.

The ability of the Company to make an issue under Listing Rule 7.1A is in addition to its 15% placement capacity under Listing Rule 7.1. The effect of Resolution will be to allow the Company to issue equity securities under Listing Rule 7.1A without using the Company's 15% placement capacity under Listing Rule 7.1.

As at the date of this Meeting, the Company has on issue 331,000,017 ordinary shares and therefore has capacity to issue:

- (a) 49,650,002 equity securities under Listing Rule 7.1; and
- (b) subject to Shareholder approval being sought under this Resolution, 33,100,001 equity securities under Listing Rule 7.1A.

The issue price of the equity securities issued under Listing Rule 7.1A will be determined at the time of

issue. The minimum price at which the equity securities, the subject of this Resolution, will be issued is 75% of the volume weighted average market (closing) price (**VWAP**) of the Company's equity securities over the 15 days on which trades in that class were recorded immediately before either:

- (a) the date on which the price at which the equity securities are to be issued is agreed; or
- (b) if the equity securities are not issued within 5 ASX trading days of the date in paragraph (a) the date on which the securities are issued.

If this Resolution is approved, and the Company issues equity securities under Listing Rule 7.1A, the existing Shareholders' voting power in the Company will be diluted. There is a risk that:

- (a) the market price for the Company's equity securities may be significantly lower on the issue date than on the date of the approval of this Resolution; and
- (b) the equity securities issued under Listing Rule 7.1A may be issued at a price that is at a discount (as described above) to the market price for the Company's equity securities on the issue date;

which may have an effect on the amount of funds raised by the issue.

The table set out below shows the dilution of existing Shareholders on the basis of:

- The market price of the Company's ordinary shares and the number of ordinary shares as at 16 April 2019.
- Two examples where the number of ordinary shares on issue ("A") has increased, by 50% and 100%. The number of ordinary shares on issue may increase as a result of issues of ordinary shares that do not require Shareholder approval (for example, pro-rata entitlements issues) or as a result of future specific placements under Listing Rule 7.1 that are approved by Shareholders.
- Two examples of where the issue price of ordinary shares has decreased by 50% and increased by 100% as against the market price as at 16 April 2019.

#### Notes:

- (i) The table assumes that the Company issues the maximum number of equity securities available under Listing Rule 7.1A.
- (ii) The table assumes that no options are exercised in ordinary shares before the date of the issue of equity securities under Listing Rule 7.1A.
- (iii) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of issues of equity securities under Listing Rule 7.1A based on that Shareholder's holding at the date of this Explanatory Statement.

- (iv) The table shows the effect of an issue of equity securities under Listing Rule 7.1A, not under the Company's 15% placement capacity under Listing Rule 7.1.
- (v) The issue of equity securities under the Listing Rule 7.1A consists only of ordinary shares. If the issue of equity securities includes options, it is assumed that those options are exercised into ordinary shares for the purposes of calculating the voting dilution effect on existing Shareholders.
- \* Any issue of equity securities is required to be made in accordance with the Listing Rules. Any issue made other than under the Company's 15% capacity (Listing Rule 7.1) or the Company's additional 10% capacity (Listing Rule 7.1A) and not otherwise made under an exception in Listing Rule 7.2 (for example, a pro-rata rights issue) would require Shareholder approval.
- \*\* Based on the closing price of the Company's Shares on ASX on 16 April 2019.
- \*\*\* Based on the Company's Share structure as at 16 April 2019.

If this Resolution is approved the Company will have the ability to issue up to 10% of its issued capital without further Shareholder approval and therefore allow it to take advantage of opportunities to obtain further funds if required and available in the future.

As at the date of this Explanatory Statement, the Company has not formed a decision which would warrant disclosure under Listing Rule 3.1 to offer any equity securities under Listing Rule 7.1A to any particular person or at any particular time. The total amount that may be raised by the issue of equity securities under Listing Rule 7.1A will depend on the issue price of the equity securities which will be determined at the time of issue. In some circumstances, the Company may issue equity securities under Listing Rule 7.1A for non-cash consideration (for example, in lieu of cash payments to consultants, suppliers or vendors). While the Company has not formed an intention to offer any equity securities under Listing Rule 7.1A, some of the purposes for which the Company may issue equity securities under Listing Rule 7.1A include (but are not limited to):

- (a) raising funds to further develop the Company's business;
- (b) raising funds to be applied to the Company's working capital requirements;
- (c) acquiring assets. In these circumstances, the issue of the ordinary shares may be made in substitution for the Company making a cash payment for the assets; and
- (d) paying service providers or consultants of the Company.

Details regarding the purposes for which any particular issue under Listing Rule 7.1A is made will be more fully detailed in an announcement to the ASX made pursuant to Listing Rule 7.1A.4 and Listing Rule 3.10.5A at the time the issue is made. The identity of the allottees of equity securities under Listing Rule 7.1A will be determined at the time the Company decides to make an issue having regard to a number of factors including:

- (a) the capital raising and acquisition opportunities available to the Company and any alternative methods for raising funds or acquiring assets that are available to the Company;
- (b) the potential effect on the control of the Company;
- (c) the Company's financial situation and the likely future capital requirements; and
- (d) advice from the Company's corporate or financial advisors.

Offers made under Listing Rule 7.1A may be made to parties including professional and sophisticated investors, existing Shareholders of the Company, clients of Australian Financial Service Licence holders and/or their nominees, or any other person to whom the Company is able to make an offer of equity securities. None of these parties will be related parties of the Company.

The allocation policy the Company may adopt for a particular issue of equity securities under Listing Rule 7.1A and the terms on which those equity securities may be offered will depend upon the circumstances existing at the time of the proposed capital raising under Listing Rule 7.1A. Subject to the requirements of the Listing Rules and the Corporations Act, the Directors reserve the right to determine at the time of any issue of equity securities under Listing Rule 7.1A, the allocation policy that

the Company will adopt for that issue.

As the Company has previously obtained Shareholder approval under Listing Rule 7.1A, it is required by Listing Rule 7.3A.6 to provide details of all issues of equity securities in the 12 months preceding the date of the Meeting. The details of all issues of equity securities by the Company during the 12 months preceding the date of the Meeting are detailed below:

No securities were issued in the 12 months preceding the date of the Meeting.

This Resolution is a Special Resolution. For a Special Resolution to be passed, at least 75% of the votes validly cast on the resolution by Shareholders (by number of ordinary shares) must be in favour of this Resolution.

The Board of Directors recommend that Shareholders vote for this Resolution.

### SUBMIT YOUR PROXY VOTE BY PAPER

Complete the form overleaf in accordance with the instructions set out below.

### YOUR NAME AND ADDRESS

The name and address shown above is as it appears on the Company's share register. If this information is incorrect, and you have an Issuer Sponsored holding, you can update your address through the investor portal: https://investor.automic.com.au/#/home Shareholders sponsored by a broker should advise their broker of any changes.

#### **VOTING UNDER STEP 1 - APPOINTING A PROXY**

If you wish to appoint someone other than the Chairman of the Meeting as your proxy, please write the name of that Individual or body corporate. A proxy need not be a Shareholder of the Company. Otherwise if you leave this box blank, the Chairman of the Meeting will be appointed as your proxy by default.

#### DEFAULT TO THE CHAIRMAN OF THE MEETING

Any directed proxies that are not voted on a poll at the Meeting will default to the Chairman of the Meeting, who is required to vote these proxies as directed. Any undirected proxies that default to the Chairman of the Meeting will be voted according to the instructions set out in this Proxy Voting Form, including where the Resolutions are connected directly or indirectly with the remuneration of KMP

#### **VOTES ON ITEMS OF BUSINESS - PROXY APPOINTMENT**

You may direct your proxy how to vote by marking one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

#### APPOINTMENT OF SECOND PROXY

You may appoint up to two proxies. If you appoint two proxies, you should complete two separate Proxy Voting Forms and specify the percentage or number each proxy may exercise. If you do not specify a percentage or number, each proxy may exercise half the votes. You must return both Proxy Voting Forms together. If you require an additional Proxy Voting Form, contact Automic Registry Services.

Where a Shareholder completes and lodges a valid Proxy Voting Form and attends the Meeting in person, then the proxy's authority to speak and vote for that Shareholder is suspended while the Shareholder is present at the Meeting.

### POWER OF ATTORNEY
